We have held our annual Casino Night fundraiser each year to raise funds to support local community and youth programs. 2021 would have been our 30th annual event. Due to COVID-19 restrictions and our support of efforts to help prevent the spread of the virus, the club will forgo the in-person event this year and instead hold an online community auction featuring many interesting items. We are excited about *The Great Gold Country Community Auction (TGGCCA)* and look forward to raising funds to support local community and youth programs that have been directly impacted by the COVID-19 Virus.

Traditionally our Casino Night auction would have well over 200 items. For this online event our goal is to obtain around 100 high quality items or experiences. **Donations will be accepted through March 12, 2021.**

**The online auction will end on April 8<sup>th</sup> at 5:30pm** with a live zoom event to celebrate the auction winners, donors, and share the impact of the event proceeds and work of the Rotary Club of Grass Valley. This is a community event, and we appreciate the support of our Gold Country friends, neighbors, and businesses.
